Note: It is possible for some youths to reoffend in both juvenile and adult systems. In order to avoid the duplicate counts, youths are included under the juvenile system category first and if there is no further entry in the juvenile justice system at the re-adjudication or re-committed level, but if there is a conviction and incarceration for the adult arrest then under the adult system.

Note: It is possible for some youths to reoffend in both juvenile and adult systems. In order to avoid the duplicate counts, youths are included under the juvenile system category first and if there is no further entry in the juvenile justice system at the re-adjudication or re-committed level, but if there is a conviction and incarceration for the adult arrest then under the adult system.
