Governor

Anthony G. Brown
Lt. Governor

Donald W. Devore
Secretary

INTRODUCTION

The Maryland Department of Juvenile Services' Office Research and Planning Unit is pleased to present its 2009 Annual Statistical Report. The Annual Statistical Report brings together, in a single volume, descriptive statistics¹ of the Maryland Department of Juvenile Services (DJS). This report serves as an essential reference book. The numbers contained in this report are used in capital planning, three-year planning and budget documents. Executive, professional, and legislative staff as well as the public relies on these statistics. The Annual Statistical Report contains two sections.

Section One of the report provides the intake profile, which includes case-related information from referral to the court disposition stage. In FY 2009, the Department's Intake Officers handled 48,567 cases. This number of cases represents 31,659 youth. The intake process determines if a youth requires formal court intervention or can be served by pre-court supervision or by processes known as resolving or disapproving the case at intake. A case is counted each time a youth is referred on a new charge during the year.

Section Two provides information about services provided to youths in nonresidential and residential programs. This section contains statistics on DJS contracted programs, community supervision, residential services and secure commitment programs. In FY 2009, the Department served 5,647 youths in out of home placements, including secure detention programs. A separate table of contents is provided for Sections One and Two. This section also includes the juvenile and adult recidivism rates by program type for youths who were released from secure and non-secure residential programs in FY 2006, FY 2007 and FY 2008, separately.

¹

The statistics included in this report have been subject to a detailed quality assurance process that involved removing erroneous cases and minimizing the occurrences of missing data. Because of this quality assurance review, the statistics presented in this report may slightly vary from those included in earlier Departmental documents.
